

The Board of Directors of the Alzheimer Society of Alberta and Northwest Territories announces the appointment of George Andrews as incoming CEO and retirement of current CEO Michele Mulder

The Board of Directors of the Alzheimer Society of Alberta and Northwest Territories would like to announce the appointment of George Andrews as the new CEO of the Society, beginning January 2021.

Mr. Andrews has worked in executive leadership roles in the education and charitable sectors. He spent over fourteen years as the Vice President of External Relations of the Northern Alberta Institute of Technology. During his tenure, he led a team that collectively raised over \$400 million while improving brand and market awareness. Most recently, George served as President and CEO of the Alberta Cancer Foundation, successfully engaging donors and building strong relationships with key stakeholders, including government ministries.

The Board looks forward to working with George, our incredible staff, donors, partners at the Alzheimer Society of Canada and the Federation, government ministries, as well as all other stakeholders as we continue the work of the Society, serving people living with dementia and their families.

The Board extends its heartfelt appreciation to retiring CEO Michele Mulder for her many years of dedicated service to the Society and those living with Alzheimer's and other dementias. Michele has had a profound impact on our Society, the Federation of Provincial and Territorial Alzheimer Societies across Canada, and the many community stakeholders we serve.

During her over five-year tenure, she has led the expansion of client services and the Society's ability to fund research initiatives. Michele was a key participant on behalf of the Society in the development and implementation of the Alberta Dementia Strategy and Action Plan, which has formalized the commitment of all stakeholders in our province to better serve those living with dementia.

The Board wishes Michele the best as she ventures into the next chapter of her journey and extends a warm welcome to George!

Darcy Yamada

President of the Board of Directors
Alzheimer Society of Alberta and Northwest Territories
