How to download your certificate

In the learning system, click on your profile circle at the top right-hand corner (it will include your initials). Use the drop-down menu to choose **Results**

Under **Certificates** click on the name of the certificate – it will start an automatic download

Name
Disclosing and Communicating a Diagnosis of Dementia

You will also receive an email with a link to download your certificate.

Email learning@alzheimer.ca if you experience any issues accessing your certificate.
