The **Circle of Hope** is a community of people who have included the Alzheimer Society of Canada in their financial planning to continue a legacy of philanthropy after they pass. Through the **Circle of Hope**, the Alzheimer Society of Canada recognizes these special donors and welcomes them into unique experiences that suit their hope for the future.

## Gifts recognized in the **Circle of Hope** community include:

- Gifts in your Will
- Gifts of Life Insurance
- Gifts of Securities
- Gifts of Retirement Plans (RRSP/RRIFs)

Let us know that you have planned a gift to the Alzheimer Society of Canada to join a community of your philanthropic peers. You don't need to provide specific dollar amounts, and it's always your choice to change your mind. Just let us know how you have included us in your plans and you're in!

Your commitment gives hope for a future without Alzheimer's disease and other dementias. We want to thank you in advance by welcoming you to the **Circle of Hope**.
