'TIS THE SPIRIT OF GIVING

Home Instead Senior Care hosted their annual “Be A Santa To A Senior” campaign in November in partnership with Alzheimer Society Peel, Shoppers Home Health Care and the Mississauga Seniors Center. The program aims to provide gifts to seniors who may not otherwise receive gifts. It is much enjoyed by the members who get to write a gift request on a paper ornament where it is then collected and hung on trees where generous holiday shoppers can purchase items to make the gift-wishes come true. The gifts are then wrapped with the help of volunteers and distributed and opened with excitement.

WHY I GIVE

by Michael Manfredi

Joyce and I started our journey with Alzheimer’s Disease 9 years ago when she was diagnosed with Early Onset Alzheimer’s. Shortly after her diagnosis, we reached out to the Alzheimer Society Peel. The Alzheimer Society Peel staff are professional, caring and compassionate. In the beginning, to better understand the disease we attended support groups, educational workshops and presentations. As the disease progressed, I attended sessions focusing on techniques for me to support my wife, and Joyce attended Day Program. Joyce has moved on to Long Term Care, but I still attend a monthly support group for caregivers, workshops on financial planning, and the caregiver retreat. I am truly grateful for the support that we received throughout our journey with Alzheimer’s. I contribute to the Alzheimer Society Peel to help ensure that the programs and services offered continue in Peel Region.
